Review of JEL TOURS PVT LTD

5 stars Reviewed 14 April 2019 via mobile

We took a 8 day end to end trip to Gujarat via Jel travels. Our key places of vsit Included Vadodara, Little and Great Running of Kutch, Champaner, Ahmedabad and Patel statue and other key tourist places. Mr. Liju was kind enough to guide us with the plan and suggested changes to make our journey a pleasant one. The hotels planned were good and comfortable, and daily itenary was well planned. The driver was knowledgable and guided us across the journey. We strongly recommend for others and we look forward for more trips in coming future.
