Dear Liju

Having returned home safely, I would like thank you for an excellent service we received from your firm, JelTours.

Firstly, we appreciate that you took the trouble to meet us at The House of MG at the beginning of our India tour.

Pamallal was always on time, the car spotlessly clean and it was a pleasure traveling with him as we enjoyed his knowledge of birds and his skillful driving.

We also appreciate making it possible for us to attend the Navratri Dancing in Ahmedabad. God willing, my husband and I are planning another trip to India for October 2020.

We will certainly make use of your services again and will contact you well in time to set up an itinerary.

Wishing you good success this coming season.

Kind regards

Gisela Glietenberg and Rose Storm
