## marvellous Gujarat!!!!!!!!!!!!

Review of JEL TOURS PVT LTD

Reviewed 11 January 2020

We have just coming back from a tour in Gujarat of about three weeks. We contacted Jel Tours three months before the departure, and from the beginning they proved to be attentive to our needs, especially the boss, Mr Liju. They provide a good car with a very good driver speaking english. He was also attentive to our needs for all the trip. Hotels booked from Jel tours were very good. Finally we have met Mr Liju, a very kind person, professional and very honest person.

Date of experience: December 2019
