Namaste from Luxembourg,

Good morning Mr. Mathew Liju,

We intend to come to Gujarat and Rajasthan in March 2019 and would ask you to make us a fair offer regarding the undermentioned tour project including (an Aircon Toyota Innova car with driver) and hotel list (3 star hotels with non-smoking double room, king size bed, bathroom and breakfast for 2 persons).

As we have been before to both indian states, the itinerary is based on places we would like to visit respectively visit again and as for the hotels, it is a mix of 3 star hotels we have already been to as well as hotels recently suggested by specialised internet portals. Home stays and Heritage have been excluded.

The sightseeings (visits) have not yet been included in the 27 nights - 28 days tour project, of which 21 days are with sightseeings (visits) and 7 days for transfers only.

Mr Liju, in 2017 you have appointed Mr Singh as our driver, Mr Singh is one of the best drivers we ever had the luck to get for our tours, he was polite and listening to our requests, he was extremely well and carefully driving and we felt secure with him.

The understanding during the 27 days has been without any problems and we was in general very helpful and, when not driving, he gave us some good tips i.e. for sightseeing and, what's important too, he had a good eye for foto situations.

If we had Mr Singh again in 2019 as our driver that would make for us the choice of the tour agency a lot easier.

Many thanks in anticipation and our best regards,

Merry Christmas,

Paul Thibor
